

Philippine Passport

The Philippine Consulate General receives and processes applications for **ePassports**, which in turn is sent to the Department of Foreign Affairs in Manila for printing and issuance. Please allow **six to eight (6 to 8) weeks** processing time from the date of application up to the date of release of the new passport to the applicant.

The Philippine Consulate General advises all Philippine passport holders to **renew their passports at least nine (9) months before expiration**. Please note that travelers with passports that will expire in less than six (6) months may encounter problems boarding aircrafts and/or entering a country.

All **Filipino citizens** applying for a passport, regardless of age, are required to **appear personally** at the Philippine Consulate General as their picture, together with their fingerprints and signature, will be taken on-site.

The Consulate will accept passport applications by appointment only. Walk-in applications for passport shall no longer be accepted. [Please click here to secure an online appointment.](#)

Reminder from the Department of Foreign Affairs (Manila)

The Philippine Passport is at all times the property of the Republic of the Philippines. It must be surrendered upon demand by an authorized representative of the Philippine Government. Alteration, addition, or destruction of contents is strictly prohibited. Any unauthorized change will render a passport invalid and will have accompanying penalties. Using the passport as collateral is against the law and will automatically render the passport cancelled.

The information provided in the passport application form must be true and correct. The documents that will be submitted should be complete and authentic. Under the law, making false statements in the passport application form, furnishing falsified or forged documents in support thereof are punishable by law.

The public is advised to secure their passports **prior** to booking their flights. **Flight bookings should ONLY be made if passports are still valid for at least six (6) months.**
