

PASSPORT

The Philippine Consulate General receives and processes applications for ePassports, which in turn is sent to the Department of Foreign Affairs in Manila for printing and issuance. Please allow 4 to 6 weeks for the entire process up to the release of passport to applicant.

The Philippine Consulate General advises all Philippine passport holders to renew their passports at least 9 months before expiration. **Please note that travelers with passports that will expire in less than 6 months may encounter problems boarding aircrafts and/or entering a country.**

All Filipino citizens applying for passports, regardless of age, are **required to appear personally** at the Philippine Consulate General as their picture, together with their fingerprints and signature, will be taken on-site.

Applicants are advised to wear appropriate clothing (e.g. no tank tops, spaghetti straps, tube); eyeglasses, contact lenses, hair accessories, earrings, facial piercings should be removed prior to the capturing of the applicant's photo.

All documents to be presented for a passport application should be ORIGINAL with one copy of each document to be attached to the application.
